PROJECTS

Personal Portfolio Website

Global URL: <https://portfolio-ji-jie-liangs-projects.vercel.app/> (Accessible worldwide; restrictions in China)
China URL: <https://portfolio.jieliang.fun/> (Optimized for access within China)

Github: <https://github.com/Molly503/portfolio-ji>

Tech Used: HTML, CSS, JavaScript, Vercel, Alibaba Cloud

Description:

- Designed with a user-friendly, responsive layout, the site features sections on my project work, technical skills, professional background, and a direct method for contacting me.
- Built with HTML, CSS, and JavaScript, the website exemplifies a clean and modern design aesthetic, ensuring a smooth user experience on any device.

Brochure Website: TechTutor

Global URL: <https://landing-page-formal.vercel.app/> (Accessible worldwide; restrictions in China)

China URL: <https://techtutor.jieliang.fun/> (Optimized for access within China)

Github: <https://github.com/Molly503/landing-page-formal>

Tech Used: Vite, React, Tailwind CSS, Vercel, Alibaba Cloud

Description:

- Designed a user-centric landing page showcasing popular courses, categorized educational tracks, real-time student feedback, and direct support contacts.
- Leveraged Vite and React to ensure a responsive and dynamic user interface.
- Utilized Tailwind CSS for modern and flexible page layouts that adapt to different device screens.

PROFESSIONAL EXPERIENCE

2022.11 – present Freelancer Web Developer/ Front-End Developer

- Embarked on a self-directed learning journey in web development, aiming to pivot my career towards the tech industry.
- Deepened my technical proficiency in languages like JavaScript and TypeScript, and frameworks such as React, Node.js and Next.js.
- Supplemented my learning by building projects to solidify my skills.

2022.03 – 2022.10 Vitesco Technologies HR Specialist

- Managed end-to-end hiring processes, demonstrating strong project management skills and the ability to understand and translate business needs into effective recruitment strategies.

2021.03 – 2022.02 Robert Walters Researcher (recruiting)

- Specialized in the recruitment of finance professionals, showcasing ability to manage multiple stakeholder requirements and maintain a detailed candidate pipeline through meticulous organization and coordination.

2015.04 – 2018.07 EY Translator, Senior Associate

- Specialized in translating and proofreading a diverse range of documents from Chinese to English and vice versa, including financial statements, audit papers, technical publications, and internal training materials.

2013.08 – 2015.03 Global Law Office Translator and Executive Assistant

- Handled legal document translation and executive support tasks, emphasizing precision and accuracy.
